Achievements for 2023-24

Matthew Collinge is studying hard for a master's in microbiology at Nottingham University while holding down a part time job in a Pharmacy while still competing and training hard for the club.

Matthew has had several top ten international finishes in the past year in Brandenburg, Portugal and the UK.

This year he has been selected for the UK squad in sprint and marathon kayaking.

.....

Kevin Trudgeon and Ally Parritt completed the Devizes to Westminster Canoe race at Easter this is a great achievement at any time as the race is 124 miles and is either run over 4 days or as 1 single effort. Kevin Trudgeon and Ally Parritt were one of the few teams to complete the race as a single effort this year as the Thames River was in full flow and won the veteran class. Steve Rieley Completed the race and was 3rd overall to finish.
